

Spokane County Fire District 2

Chimney Cease Use Order

Date: _____ Time: _____ Incident #: _____

Incident Location: _____

Fire District 2 personnel responded to a chimney fire at the location, date and time indicated above. The conditions found indicate that the involved chimney may have been damaged. Continued use of this chimney may result in a serious fire that could damage or destroy the building. **All occupants of this building are hereby ordered to stop use of the involved chimney until it has been cleaned and inspected by a qualified technician.**
